B. Shnat Netzer Scholarship and Loan Application

To be completed by any participant wishing to apply for a scholarship and/or loan

Dear Parents, Guardians and participants of Shnat NETZER 2010,

We are very excited that you have decided to take part in our programme and want to make your preparation for the Shnat NETZER year as easy as possible.

We understand that the price of the programme is for some a difficult cost to meet. As such, NETZER Australia Inc., in association with our roof bodies the Union for Progressive Judaism and affiliates, entities and private people seek to assist you financially by way of loan and/or scholarship.

It is important to remember that our funds **are limited** and that there are participants applying for the programme who really have no way of taking part in Shnat NETZER without a scholarship or loan.

These scholarships and loans are not for excellence or achievements, they are a **means-based scholarship** to enable those who would not otherwise be able to participate in our programme, to attend without financial hindrance.

With this in mind, please ensure that all applications are made in good faith and in the case of real necessity.

This form is due on MONDAY 26TH OCTOBER, 2009. No forms will be accepted after this date unless a request for an extension has been received no later than TUESDAY 20TH OCTOBER, 2009.

Please fill in all sections of this application and where there is insufficient space for your response please attach an appendix.

This application is confidential. This form will be considered by the NETZER Australia Inc. subsidy committee, by a financial advisor and possibly by selected members of our roof bodies also bound by the confidentiality of this document.

Thank you for your co-operation and we look forward to assisting you in the Shnat NETZER process.
